Chancellor Porter's Family Forum: Last week, Chancellor Meisha Porter launched a five-borough family engagement tour to hear directly from school communities about their top educational priorities for next school year. In light of unprecedented investments from local, state and federal, government, these forums will serve as an opportunity for families, teachers, school administrators and staff to provide Department of Education (DOE) leadership with their thoughts on the types of resources and support that are needed as we move towards a full reopening in September. The Manhattan Virtual forum will be held on: Monday, May 24, 2021, from 6:30-8:00pm

Each forum will be recorded and posted [learndoe.org/chancellor](https://www.schools.nyc.gov/get-involved/families/family-empowerment/chancellor-porter-s-family-forums) so that school communities may access them at any time. Interpretation services will be available at every forum.
